

NSW Rural Fire Service Association MEMBERSHIP REGISTRATION

The Rural Fire Service Association charter ensures that the volunteers and salaried staff of the NSW Rural Fire Service are guaranteed a role in determining their own futures and to bring benefits to its members.

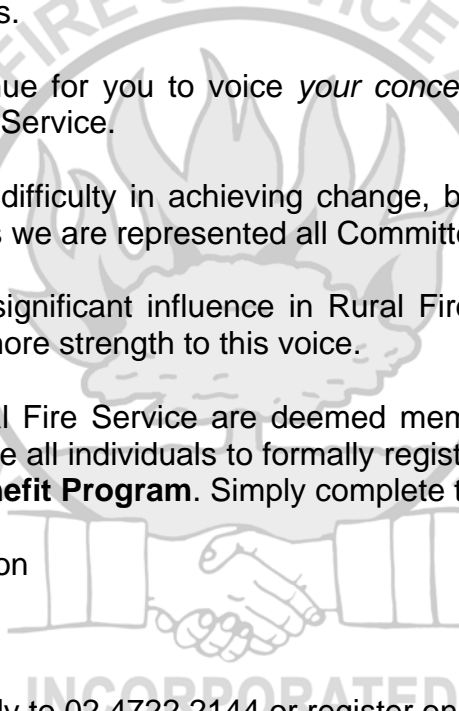

The Association is an avenue for you to voice *your concerns* and issues affecting *your activity* within the Rural Fire Service.

Your voice alone will have difficulty in achieving change, but the concerted voice of the RFSA is difficult to ignore as we are represented all Committees of the Service.

The RFSA voice has had significant influence in Rural Fire Service decisions and your participation can only give more strength to this voice.

Members of the NSW Rural Fire Service are deemed members of the Association. The Association would encourage all individuals to formally register their membership and **gain access to the Member Benefit Program**. Simply complete the form below and return to:

Rural Fire Service Association
PO Box 845
PENRITH BC NSW 2751

You may fax this form directly to 02 4722 2144 or register online at www.rfsa.org.au
